Dear Igor,

I am delighted to inform you that you have been recognized on the CEMSE Dean's List for your exceptional academic achievements and dedication to your research work. This recognition is awarded to the top 20% of our student population based on recommendations from students' PhD advisors, reflecting their outstanding contributions to the university's academic community.

In acknowledgment of your hard work and excellence, you will receive a one-time payment of $2,500.

Please accept my heartfelt congratulations on this significant accomplishment. To celebrate this achievement, we will organize a ceremony in Fall 2025. Details regarding the date, time, and venue of the celebration will be communicated to you later.

Your achievements not only enhance the reputation of our division but also inspire your peers and faculty members. I am confident that you will continue to excel and make remarkable contributions to your field of study.
